

6 segments

The diagram features six colored rectangular blocks with rounded corners arranged horizontally. From left to right, the colors are green, blue, orange, light gray, dark orange, and purple. The purple block is significantly wider than the others. Above the blocks, a horizontal line with a bracket at the right end spans the width of the first five blocks, with the text '6 segments' centered above it. Below the blocks, a horizontal line with an arrow at the right end spans the width of the first five blocks, with the text 'Market potential' centered below it.

Market potential
